Steps to Start a Pay-by-Plate Parking Session

**\$.25 per 30 Minutes Patron Parking
Time Restrictions Apply**

Mobile App to Park

1. Open your mPay2Park App and click on Start Parking.
2. You will be prompted to enter in: License Plate Number, Parking Zone Number, and your Parking Spot Number. The rate will appear for the zone you are currently parking.
3. Click on Start Parking Now button. The screen will show you a current amount you will be charged when you Stop Parking.
4. When you are ready to leave your parking location click on Stop Parking Now. It will have a pop up screen verifying you are sure you want to Stop Parking. Click Confirm and you are done!

Phone Call to Park

1. Call the number displayed on signage or the meter.
2. Respond to the prompts accordingly. Locations and spaces will be posted on signage or meter. If you are a new user visit mPay2Park.com to Register.
3. Confirm parking transaction. The transaction will appear on all enforcement devices.
4. Text notification will be sent when time is about to expire. Where available you may extend time by repeating the steps above. Your number will be recognized and ask if you want to add time to your existing transaction or start a new one.

Parking in Millburn is now Pay-by-Plate only. Pay-by-Plate is available on smart phones by downloading the mPay2Park mobile app in the App and GooglePlay stores, and at all Pay Stations throughout Millburn.

With this new and improved parking system, spot numbers will no longer be necessary or needed; only license plate numbers need to be entered when paying for parking. Time limits still apply to all parking!
