

Dear Township of Millburn

In regard to the notice the Ord 2576-21, Ord 2574-21 and Ord 2577-21- - due to an entry error on the part of the legal notice representative at the Millburn Item the notices did not run in the correct publication.

The rep did also confirm incorrectly the wrong publication, in the email response back. Which the Township would have no way of knowing that the notices were not set correctly.

I have addressed this with the representative.

Moving forward I have assigned your account to our White Glove team they will be sending the proofs to me to review prior to each run date. Once I have confirmed the publication.

Please send the requests to: [REDACTED]

Please cc myself and Linda Kennedy – if I am out of the office Linda will be checking the notices and confirming the publication

Please accept my apology for the error and I apologize for the inconvenience this has caused.

Thank you
